Sir,

Panchayat works.- Progress hampered - brought to notice.

****

I enclose herein copy of G.O. Mis. 2304 P.H.Dated 14-10-33 received a few days ago according to which " no contribution of any kind from the village Development fund is permissible." On the strength of this order, several applications for contributions from Panchayat Boards in this Taluk, for works sanctioned in the current year, were rejected by the Village Development Fund committee in its meeting held on 23rd inst. The result is that many of the works in various stages of progress have practically to be given up. The works were undertaken because of the expected -- contribution from the Village Development fund as heretofore. In G.O.Nos. 1354 P.H.dated 29-7-31 & 285 P.H. dated 6-2-32 Government clearly stated that such contributions can be given. On the ~~strong~~ strength of this, contibutions were sanctioned and paid to several -- Panchayat Boards in this Taluk. All these payments made in the past have also been held under objection by the Audit Department This sudden change of front has a disastrous effect on Panchayat works and a serious impasse has been brought about. I invite your kind attention to this matter so that you may be pleased to move the Government immediatly for the withdrawal of the recent ban and permitting sanction of contributions from Village Development Fund.

Mean-while I may be kindly advised as to what instructions I should give to the Panchayats placed in an inenviable and help-

less predicament and ~~are~~ puzzled as to what to do next.

Your most obedient servant,

President,
